

JYMA Meeting Schedule for 2023-2024

Schedule for Live Lectures

In order to connect more with the students, every quarter I either visit the student work groups (grades 7-10), or I offer live lectures (grades 5-7). We could have more than 30 students in the meeting – very exciting for the students! It is best for the parent to be sitting with their child (but out of the camera's view) at the live meeting. Students are able to speak up and answer questions, and we use Zoom breakout rooms to work briefly on puzzles in small groups. They'll meet other students in the Math Academy, and I'll try to get around to each room and say "hi". The whole point is to be there live, so it won't be recorded. These live lectures are meant to replace the normal Wednesday lecture for the week, so if you can't attend live, you should just watch the normal Wednesday lecture (lecture #2). We will send out links to the live lectures a few days before the meeting takes place. Here is the schedule for these live lectures (**all times are MT** (Colorado time), which is 2 hours behind ET, 1 hour behind CT, and one hour ahead of PT):

- **Grade 5:** Sept 27 at Noon MT; Dec 13 at 1:30pm MT; March 6 at Noon MT; May 22 at 1pm MT
- **Grade 6:** Sept 27 at 2pm MT; Dec 13 at 9:30am MT; March 6 at 2pm MT; May 22 at 11am MT
- **Grade 7:** Dec 13 at 11am MT; May 22 at 2pm MT
- **Grade 8:** May 22 at 10am MT
- **Grade 9:** May 22 at 9am MT

Schedule for Parent Meetings

Jamie will hold parent meetings each quarter in order to elaborate on his intentions for the class and to answer parents' questions. All meetings are held on Thursdays. While it is best to attend these meetings live, they will be recorded so you can watch them at a later time.
